In his remarks, Consul General Nayem Uddin Ahmed told that we need to believe in “Digital Bangladesh” from our heart to fulfill the “Vision-2021 & 2041” of the present government. All Bangladeshi nationals should be committed from their respective position to the vision of “Digital Bangladesh”. He also said that Father of the Nation Bangabandhu Sheikh Mujibur Rahman had dreamt of “Sonar Bangla” and his able daughter Hon’ble Prime Minister of Bangladesh H.E. Sheikh Hasina has been relentlessly working to fulfill Bangabandhu’s dream. “Digital Bangladesh” has been instrumental to this end. He also mentioned that under the dynamic leadership of Hon’ble Prime Minister Sheikh Hasina, Bangladesh has remarkably performed in the ICT sectors, compared to many other countries in our region.

Stressing the theme of 3rd Digital Bangladesh Day, Consul General urged all to take the most advantage of technology, but to remain cautious at the same time about the negative consequences of misusing technology, particularly while using social media.
